

INFINITYTM

The engineered surface.

**The porcelain
you've been
waiting for.**

Made in Italy

Infinity slabs offer **excellence** and **innovation** for design and architecture.

Infinity specializes in the production of high quality large-size porcelain slabs for architecture, interiors and tailor-made solutions.

The wide range of Infinity collections offers a variety of surfaces that combine high technology with innovation, supporting the creativity of architects and designers all over the world.

Sizes and Surfaces

Slabs are 63"x126" and made in thicknesses of 6mm, 1.2cm and 2cm.
Available in: Polished | Satin | Matte

Infinity offers a limited conventional guarantee.
